Achievements

Describe the most outstanding non-academic achievement in your life. What was the context for this achievement? What was your approach? What difficulties did you face and how did you overcome them?
(Maximum 200 words)

People

Describe a challenging situation in which you were working with other people. What were your personal challenges? What was your role? How did you bring in your own perspectives? If there were any conflicts, how did you face them and what was your contribution towards the solution? (Maximum 200 words)

Change

Describe the most innovative change you have initiated. Why was this change necessary? How did you manage to implement this change? What was the impact of the change? (Maximum 200 words)
